## STILL URGING MUSIC IN SCHOOL

Parent Teachers' Association again Hears Talk Advocating the Teaching of Music in the Public Schools of Town.

"If we keep at it long enough we will see the establishment of a course in music in our public schools", said Prof. W. A. Burgoon at the meeting of the Parent Teachers' Association in the High School building on Friday evening following an address by Dr. Herbert Alleman before the organization, in which he urged special attention to studies like music and art in the schools of the town.

"The town is poverty stricken in music" was the comment made by Dr. Alleman who suggested that a teacher be employed to go from school to school teaching vocal music. The art exhibit in the various rooms has been, in the speaker's estimation, a most praiseworthy indication and he made a strong plea for subjects which would have a refining influence over the children attending school.

Dr. Alleman's subject was "Preparation for Life" and he spoke of the necessity for three-fold development—body, mind and soul. He dwelt upon the necessity of well directed play, of cleanliness and other essentials for the making of a strong body. The studies to be taught came under the second head. In referring to the religious training in the schools he cautioned against any tendency which would make the public schools sectarian, saying that the recently passed bill providing for the reading of ten verses of the Bible without comment was about as far as religious work in the schools should go.

In speaking of conditions in Gettysburg Dr. Alleman referred not only to the failings of the town but to its numerous good qualities and spoke of it as his adopted home. His audience was pleased with the remark of a frequent visitor to Gettysburg who, upon returning from a trip to Europe, said "After Gettysburg I like Paris best".

Prof. Burgoon told of ideas brought out at the recent meeting of educators in Philadelphia which he attended, referring specially to the possibility of establishing a course in summer garden work at Gettysburg.

It was announced that the domestic science lecturer expected for April would not be able to be present and an effort will be made to secure some one else.

Miss Rummel's school was awarded the banner for having the largest number of parents present. Exercises were given by the pupils of Miss Sachs' and Miss Ruff's rooms; Miss Lily Dougherty recited and David Dougherty played a piano solo.

### BRIEF ITEMS

William A. McIlhenny entertained the Gettysburg Boys' Club with several war stories Thursday evening, at the club room in the Presbyterian church. A unanimous vote of thanks showed the reception the boys accorded the speaker's efforts.

George E. Grove, rural carrier on route 4, Gettysburg, is at his home on Chambersburg street recovering from an attack of acute indigestion which he sustained while covering his route one day this week.

Mrs. Annie Coban and Mr. McAllister have returned from a week's visit with friends in Chambersburg.

Mr. and Mrs. H. C. Sanders, of Biglerville, spent a short time here this morning on their way to attend the dedication of the new Reformed church at New Oxford on Sunday.

Gettysburg won the unanimous decision of the judges in the debate with Bucknell in Brua Chapel Friday evening. The question was: "Resolved that the present scientific trend in education is opposed to the principles of social and political progress and stability". Bucknell had the negative side of the question and Gettysburg the affirmative. At Lewisburg two other teams debated the same question with sides reversed and Bucknell was given the decision.

### GOOD FILMS COMING

Queen Elizabeth Films again to be Shown in Gettysburg.

The Sarah Bernhardt "Queen Elizabeth" film will appear at the Wizard Theatre, Monday evening, March 17. This is unquestionably the masterpiece of motion photography. The presentation is an exact reproduction of Moreau's historical play in four acts, in which Madam Bernhardt and her splendid company appeared for an extended season at Madam Bernhardt's own theatre in Paris. advertisement.

## MEETING OF COMMISSION

Fiftieth Anniversary Commission Selects Colonel Schoonmaker as its Head. President Baer Attends Harrisburg Meeting.

Colonel James N. Schoonmaker, of Pittsburgh, was on Friday night elected chairman of the Pennsylvania Gettysburg Semi-Centennial Celebration Commission, succeeding General Louis Wagner, Philadelphia. Colonel Lewis E. Beidler was re-elected secretary. George F. Baer, of Reading, who was recently named to fill one of the vacancies, took his place as a member, but Captain John P. Greene, of Philadelphia, the other new appointee, was unable to be present.

The commission heard very satisfactory reports regarding the arrangements for the great gathering of survivors of the battle in July, together with data about the way other States are voting appropriations for their share in the celebration. Captain H. F. Dalton, in charge of the arrangements for the War Department, outlined what had been done.

Adjutant General Thomas J. Stewart, William E. Miller, and Colonel Lewis E. Beidler, the secretary were named a committee to come to Gettysburg to inspect the college and seminary buildings, which have been secured for the accommodation of distinguished guests.

### RESCUED GUESTS

Hotel Fire at Carlisle this Morning Scene of Thrilling Rescues.

Quick rescue work on the part of Carlisle firemen and Dickinson college students got more than twenty-five guests safely out of the Thudium house in their night-clothes at an early hour this morning, after they had been entrapped in their rooms by fire which started in the office at midnight and burned out the main stairway before these in the building could escape. The hotel, one of the oldest buildings in Carlisle, a four story brick structure was badly gutted by the flames.

In order to make sure of rescuing the children of Ray L. Early, Jr., proprietor of the hotel, the young boy, aged five and the girl, who is younger, were thrown out of a second story window and caught in a blanket, held by several Dickinson college Law students.

The rescue work was so efficient that only two were injured. Ray Early, senior, father of the proprietor, was slightly burned, while escaping from his room and Walter Hartzell was overcome by smoke in his room on the third floor and had to be carried down a ladder to safety, by firemen.

### MISSIONARY MEETING

Lutheran Woman's H. & F. Missionary Societies at McSherrystown.

The Adams County Conference of the Woman's Home and Foreign Missionary Societies of the West Pennsylvania Lutheran Synod convened in the Lutheran church at McSherrystown, Thursday morning at 10 o'clock. Miss Carrie Musselman, of Gettysburg, presided.

After devotional services, conducted by Mrs. A. M. Heilman, a constitution was adopted in harmony with the other conferences of this synod.

The following officers were then elected: Miss Carrie Musselman, Gettysburg, president; Mrs. C. W. Baker, New Oxford, vice president; Mrs. Wm. I. Redway, secretary and treasurer. Among the discussions conducted by ladies from Gettysburg were the following: "Our Meetings", Mrs. Luther Kuhlman; "Our Children", Mrs. C. B. Stover; "Our Country Societies", Mrs. J. A. Singmaster; "Our Uninterested Women", Mrs. Lake.

## DIED IN BARN NEAR THURMONT

Unknown Man Found in Dying Condition. Mrs. Joseph Tennant Died at her Home in Gettysburg. Mrs. Fidler in Biglerville.

On Wednesday morning an unknown man died in Wm. Lohr's barn several miles north of Thurmont. The man was a tramp and stayed in the barn during the night in company with a gallon jug and a quart bottle and another man, not a tramp. Both were dead drunk when found in the early hours of the morning, and little liquor remained. The unknown man was in a very bad condition and died soon after being found. Justice of the Peace Joseph C. Gernand, of Thurmont, was notified and with Dr. E. C. Keefeauver went to where the dead man was. It was decided that death was caused by drink and no inquest was held. On his person was found nearly five dollars in money and about a gross of shoe strings. Nothing was found on him to tell who he was or where friends or relatives could be found.

### MRS. JOSEPH TENNANT

Mrs. Joseph Tennant died about half past ten this morning at her home on Chambersburg street after an illness of several months with a complication of diseases aged 45 years, 9 months and 28 days.

She leaves her mother, Mrs. Jane McDonnell, of Gettysburg; her husband and six children, Lottie, Mae Belle and Elsie Little; Helen, James and Ida Tennant, all at home; four brothers and one sister, Charles McDonnell, of Gettysburg; George McDonnell, of route 3 Gettysburg; John McDonnell, of Gettysburg; Mrs. Mary Alice Munshour, of near town; and James McDonnell, of Gettysburg.

Funeral Monday afternoon at 1:30 o'clock from her late home, conducted by Rev. Joseph B. Baker. Interment in Evergreen cemetery.

### MRS. ALBERT FIDLER

Mrs. Ellen M. Fidler, wife of Albert Fidler died at 4:20 this morning at her home in Biglerville from tuberculosis aged 29 years 9 months and 19 days.

She leaves her husband and one daughter, Catherine V. Fidler. Her parents Mr. and Mrs. Samuel Orner, of Biglerville, also survive together with a sister, Mrs. H. Lawrence Harbaugh, of Orrtanna.

Funeral on Monday afternoon, meeting at the house at 1:30. Services in the Biglerville Lutheran church, conducted by Rev. C. F. Floto. Interment in the Biglerville cemetery. Friends and relatives are requested to consider this an invitation to attend.

## SAY SALE HOGS ARE POISONED

Public Sales in Franklin County Have Developed an Unpleasant Condition in Some Sections. More Adams County Reports.

Adams County farmers will be interested in the misfortunes of their Franklin County neighbors who are suffering serious losses through the deaths of numerous hogs which they have purchased in the latter county at spring sales.

Owners of shoats who have lost recent purchases, attribute the wholesale deaths of these young hogs to "condition powders" given them to get them in shape for public sales.

Practically all of the shoats that have died were purchased at public sales and when their history was examined, it was found in several cases that powders had been given them to prepare them for sale.

George Stoner, Zallinger, purchased 24 fine shoats at a farm sale several weeks ago. They began to decline as soon as they were taken to their new home and there are but nine left. The chances are that the remaining pigs will pass over the same course as the others, judging from their present condition.

Mr. Stoner's experience is similar to the many others in that vicinity. In all about 50 pigs have been lost by people who purchased the animals.

Sales continue good in this county and no trouble has been reported here of stock dying.

W. E. Golden's sale in Butler township on Thursday was attended by about 400 people and amounted to \$2313.95. The highest horse brought \$236.50 and the highest cow \$63.25. A pair of mules sold for \$328. Taylor and Slaybaugh were the auctioneers and P. A. Miller the clerk.

William H. Peters' sale in Tyrone township on Friday amounted to \$2084.59. The highest horse brought \$193.50 and the highest cow \$80.50. A sow and seven pigs sold for \$50; chickens brought as high as 21 cents a pound; a yearling colt sold for \$77 and a yearling bull for \$50.50. Attendance about 300. Slaybaugh was the auctioneer and Weidner and Peters the clerks.

The sale of John P. Rahn, in Cone-wago township, on Wednesday amounted to \$3454. The highest horse brought \$204; the highest cow \$79; and a pair of mules \$377.50. John B. Basehoar was the auctioneer and Good and Reigle, the clerks.

The sale of Calvin Wintrobe in Union township on Thursday reached a total of \$3499.65. A pair of mules sold for \$321; the highest horse for \$165; the highest cow for \$68. John B. Basehoar was the auctioneer and Swartz and Duttera the clerks.

Chambersburg Public Opinion says: "Town people often wonder—why is a country sale? Here is the answer in part. Less than a week ago Harry Reasner of near East Fayetteville bought at a public sale a cow for \$53. Yesterday Mr. Reasner had his sale and this same cow brought \$74. That's gaining \$21 in five days on a \$53 investment and has Morgan faded for percentages."

### TO IMPROVE OFFICE

Emmitsburg Post Office will be Extensively Remodeled in Near Future.

Postmaster John A. Horner, of Emmitsburg, assisted by his office force and carriers, moved the postoffice in record-breaking time, to the temporary quarters in the Zimmerman building adjoining the permanent home of the postoffice, which is undergoing extensive improvements. The improvements, which are being made by Mr. Zimmerman in the permanent quarters, will cost about \$1,200, and when finished Emmitsburg's postoffice facilities will compare favorably with those of towns of like size in convenience to its patrons.

### FEARLESS DEER

Deer have a Fine Time Playing in Open Near Caledonia.

About nine o'clock Friday morning the guests of Graffenburg Inn and many passers-by were delighted by seeing seven deer leaping and dancing fearlessly in the open near many yards eastward from the Sunrise piazza of the inn, little regarding the observers. After a ten minutes frolic the animals galloped to the upper hills. Three of them were stags.

## MANY PERSONS HOMELESS

The Death List Is Placed at Fifty-one and Property Loss Well Up in the Millions.

Widespread storms of cyclonic intensity, sweeping over the middle west and the south, cut their way through towns and cities of five states, suuffed out scores of lives, made hundreds homeless and destroyed property valued well up in the millions. From latest reports fifty-one persons were reported killed and the death list was still growing.

## 18 Dead Near Rome, Ga.

Rome, Ga., March 15.—Eighteen persons are reported to have been killed and many injured as the result of the storm which swept over northwestern Georgia.

The storm continued for two hours, and, followed by earthquake shocks it devastated a wide section of country between Curryville and Rosedale. The loss of life, now estimated at eighteen, may be greater and the damage to property has been very heavy. All wires are down and details are meager.

The principal damage and loss of life are reported at Curryville and Rosedale, while Armuchee, Costanuala and Resacca also suffered. At Rosedale fourteen are dead.

## \$1,000,000 Loss in Illinois.

Chicago, Ill., March 15.—It is estimated that the damage done by the severe wind and rain storm which swept this city and state will aggregate nearly \$1,000,000.

In Chicago the wind attained a velocity of fifty miles an hour and scores of plate glass windows were demolished. Electric light wires were blown down, and as a result many miles of streets were in darkness. Telegraph wires south and west were down.

At Quincy wires were blown down, and many windows were broken. Several large boats in the Mississippi river were torn from their moorings and many launches were swamped.

At Spring Bay, Ill., fifty men and women who were attending a church service were thrown into a panic when the steeple of the structure fell down. Charles Gilpin, a farmer near Jacksonville, was killed when a large tree was blown down and struck his house.

Heavy damage to crops was reported in Peoria, Woodford and Tazewell counties.

## 20 KILLED IN TENNESSEE

List of Fatalities Due to Storm May Grow Larger.

Nashville, Tenn., March 15.—The storm death list in middle and western Tennessee is estimated at twenty. The storm west of the Tennessee river reached its greatest fury in Benton county. It swept a path from a quarter to three-quarters of a mile wide diagonally across the country.

Part of the house of Leonard Davis was blown two miles and his little daughter was carried 200 yards. A number of children were hurt when a schoolhouse was blown down.

In Middle Tennessee the most disastrous work of the storm was in Maury county. Three persons are reported killed at South Berlin.

Mrs. Dock Mahon, whose husband was reported killed near Middletown, is said to have died of fright after the storm. In Madison and Henderson counties five were killed and more than 100 are homeless.

At Lexington between seventy-five and 100 houses were demolished. Telegraph and telephone communication was a bit out between Jackson and Lexington.

The small towns of Camden, Timbriake, Huron, Life and Sharon suffered property loss. Those reported killed at Huron, Tenn., are Mrs. Thorn, Green Threadgill and three small children named Brown.

Reports from Arkansas are that the storm began near Brinkley, Ark. and swept east, gathering strength until it became a tornado at Weiner where all houses were leveled and the rice mill demolished. Two were killed.

A negro settlement south of Earle, Ark., with a population of about 300 was literally blown away. Only a few were slightly injured. A ten-year-old boy was blown from his home to a tree fully twenty feet high.

## Six Dead in Alabama.

Gadsden, Ala., March 15.—At least six persons were killed and property damage amounting to \$250,000 resulted from a tornado which swept through this section of the state.

The greatest damage was done at Dukes, where the church, school house and ten other buildings were blown down. Twenty-five farm houses were wrecked. Bridges have been carried away, telephone and telegraph wires swept down and trees uprooted.

## Buenos Ayres Struck by Cyclone.

Buenos Ayres, Argentina, March 15.—Twenty persons were killed or seriously injured by a destructive cyclone here. The property damage is heavy.

## SUNNYSIDE FARM

Special Price Sale is \$3,200.00 with about \$200.00 personal property, bringing a \$7,000.00 farm down to about \$3,000.00. After April 1st, 1913, this valuable farm must go into the hands of Real Estate dealers, and the price fixed at \$4,000.00. \$1,000.00 heavy white oak railroad lumber can be cut, and there are about 100 trees for railroad ties.

## NEWTON GIRL

Pale, Run-down, Anemic—Restored to Health by Vinol.

Miss Katharine Burns of Newton, Mass., says: "About six months ago I was in a run-down condition and my blood was very poor. I had taken several medicines prescribed by physicians, but they seemed to do me no good. Finally Vinol was recommended, and from the first bottle I noticed a great improvement. I have taken six bottles and I feel strong and as well as ever."—Katherine Burns.

Vinol is the greatest body builder and strength creator we know of—the curative elements of the cod's liver, aided by the blood-making strengthening properties of tonic iron contained in Vinol, restore the lacking ingredients to the blood, and the result is health strength and vigor. "If you need building up try a bottle of Vinol with the understanding that your money will be returned if it does not help you."

## Spent \$700 on Feet

People With Sore, Tired, Swollen Feet, Read This

Vouched for by Levensgood & Strickler, Druggists of Latrobe, Pa.  
"George Umoltis bought two packages of EZO and in about four weeks came in and said he wanted it advertised, and pay all charges, so the people would know how good it is. He said for seven years he hadn't stood on his feet, he spent \$700 for doctor bills. He only used one package of EZO and can run and jump like a boy. He was all smiles about EZO."

The People's Drug Store sells EZO, a refined ointment for sore, aching, weary feet, for 25 cents a jar.

## Grandmother's Mustard

Poultice Beats Most Modern Remedies

Grandma and Mother and Aunt Martha were talking about old-fashioned remedies the other day, but mostly about the mustard plasters and the ailments they used to banish with them.

Grandma said she used them regularly to do away with aches and pains all over the body but especially for pleurisy, cold in chest, coughs, sore throat, bronchitis and whenever any one was threatened with pneumonia.

Aunt Martha agreed with grandma that mustard plasters were just splendid for such things but said she also used them for rheumatism, lumbago, neuralgia and other things.

Mother said, "of course mustard poultices were good for everything that both grandma and Aunt Martha mentioned, but they were dirty and blistered terribly and took a long time to prepare. She was mighty glad that Mr. Berg of Rochester, N. Y., had discovered MUSTARDINE and put it on the market so that people could buy a box at any good drug store for only 25 cents, and that one box did the work of fifty blistering mustard plasters."

Then Grandma and Aunt Martha both said they were talking of years ago; that they both kept BEGY'S MUSTARDINE in the house all the time because it was so easy to apply and would never blister or soil and was so much better than the old-fashioned mustard plaster that anyone who didn't use it was away behind the times."

Mr. Berg guarantees MUSTARDINE to banish all the aches and pains and ailments mentioned above or money back. MUSTARDINE is made of real yellow mustard with 14 ingredients added and it works like magic.

Rub it on tonight and pain and misery will be gone in the morning. Thousands also use it to end headache, earache and toothache in just a few minutes and to draw out that terrible soreness from corns, bunions and callouses. Don't accept any imitations, however. Be sure it's BEGY'S Yellow MUSTARDINE in the yellow box. Ask your druggist for it; if he won't supply you send 25 cents to J. A. Berg, Chemist, Rochester, N. Y., and get a generous box by mail. The People's Drug Store guarantees it.

## COATESVILLE DRY BY DRASTIC ORDER

All Liquor Licenses For Hotels Are Revoked.

VALLEY FORGE ALSO HIT

Three In West Chester and Two In Phoenixville Also Closed and Other Hotel Men Stop Sale of "Bottled Goods."

West Chester, Pa., March 15. — Coatesville, the scene on Aug. 13, 1911, of the lynching of "Zack" Walker, a negro, and the object of attack by Governor Tener because of the failure to punish any of the lynchers, were absolutely "dry" when the Chester county court here refused to renew the licenses of all of the five hotels of the town.

This blow to the liquor interests was made still more sweeping when Judges Hemphill and Butler also refused the licenses to six other hotels in Phoenixville Valley Forge and West Chester, eleven of the places against which the no-license forces directed their fight thus being put out of business. Several others will learn their fate on Monday.

The decision went into effect immediately, and all of them have closed their doors. The action of the court was the most drastic ever taken in Chester county. The joint decision of the judges was handed down unexpectedly at the opening of the court and following a conference of the two jurists. None of the hotels affected will have a chance to obtain another license for one year.

It is now believed likely that many other licenses may be refused Monday after the hearings, and the no-license leaders are jubilant.

The liquor men are much at sea. It is likely that most of the hotels where the licenses were revoked will be closed entirely by the proprietors, who assert that they cannot accommodate the public without the bars, except at a loss, which would drive them out of business in a short time.

In Coatesville, it was reported, the hotel men gave away their stocks of intoxicants before the court notices reached them and that men who had been on the "flag" list were in their element for a few joyous hours at least.

The action of the court met the approval of many citizens of the towns, more than 11,000 of whom had signed remonstrances.

Immediately following the serving of the court notices the three hotels affected in West Chester closed their doors and the boards were notified that they must get other quarters within two days. The other hotels are crowded and are refusing to receive those who are thus being driven out.

As soon as the decision of the court had been made known the hotel men all over Chester county not affected held a consultation by telephone and all agreed to suspend immediately the sale of liquor in any form in bottles.

The barkeepers removed the supplies, and it is declared not a pint can be purchased in a bottle in the county.

This will drive the bottle trade of West Chester to Newtown Square and Philadelphia and Coatesville's (this) ones will have to go to Lancaster Reading or Wilmington for their hot tip supplies.

### LEADERS ARE PLEASED

"Our Answer For the Lynching Business," Declares Church Worker. Coatesville, Pa., March 15. — The "no-license" advocates of Chester county, of whom Charles L. Huston the iron master, is one of the leaders are jubilant because the liquor business, so far as Coatesville is concerned, has been wiped out.

Hughes Shalleross, whose sympathies have been with the no-license movement, is elated that in his administration the liquor business has been eliminated.

W. H. Ridgway, a prominent church worker said: "It is our answer and it will square us with the nation for all of the unkind things said about the town."

The loss to the Speakman hotel, of which F. Lyle Hilt is proprietor, and the Stephenson house, Silas Wright proprietor, is heavy, as within the last two years these hotels sold for \$155,000 each.

Schwab Builds Home For Band. Bethlehem, Pa., March 15. — Again has Charles M. Schwab, the steel magnate, shown his deep interest in Bethlehem, his newly adopted home. This time it takes the form of a home for his steel company band, which when completed will have cost him between \$20,000 and \$30,000.

Four Killed In Railroad Crash. Omaha, Neb., March 15. — On Pacific passenger train No. 12, known as the Colorado special, ran into the rear of No. 4, the Atlantic express, near Gothenberg. Four persons were killed and thirty injured, according to advices reaching here.

Man Killed by Lightning. Baltimore, Md., March 15. — J. Louis Sampson, a Chicago business man, was killed by lightning near his new country home in the Patuxent river. In St. Mary's county, Md., while riding in his mail box. His horse was also killed by the same bolt.

## BOY, DECLARED DEAD, STAMPEDES MOURNERS

Youth Revives After Heart Had Ceased to Beat.

Chester, Pa., March 15.—Pronounced dead by a reputable physician, a sixteen-year-old boy "returned to life." At the uncommon apparition relatives and sympathizing neighbors gazed in terror and a stampede followed.

The corpse is or was that of Frank Moore, Jr., of Burnside, Delaware county. The young man had been ill for several weeks and Thursday was expected by the physicians and the parents to be his last. He suddenly lapsed into unconsciousness and lost all semblance of life.

A physician was summoned and made an examination. Moore's heart had stopped beating and he showed

every indication of having died.

About a dozen persons were in the room when the corpse sat up, threw the winding sheet off, saying: "What the dickens is that for? I'm hot."

### HEAVY EARTHQUAKE FELT

Believed to Have Been Less Than 1500 Miles Away.

Washington, March 15. — Violent earthquake shocks, apparently originating within 1500 miles of Washington, were recorded on the seismograph at Georgetown university. The record was from north to south.

The most pronounced shocks occurred a few minutes after the vibrations began. They were decidedly violent and lasted two or three minutes.

Father Francis A. Torndorf, the expert at Georgetown, said the seismograms were peculiar ones, and were difficult to read. The vibrations were recorded on both the horizontal and vertical seismographs.

Arcen Trust Man Guilty.

New York, March 15. — Henry C. Freeman, accused of a murder of the "arson trust," that was revealed by the confession of "Lizzy the Printer," was found guilty of arson. He fainted when the verdict was read. Freeman, an insurance adjuster, built up a business of \$100,000 a year, from which he had a net income of \$25,000.

## ANAEMIC PEOPLE

Need More Iron in the Blood.

If you are an anaemic, you need more iron in your blood, and the tell-tale symptoms are a pale face, colorless lips, ashken finger nails, poor circulation, and short breath, and more serious diseases are easily contracted when in this condition.

What Vinol did for Mrs. G. S. Manuel, of San Antonio, Texas, it will do for every anaemic run-down person. She says: "I was weak and nervous and had general debility for about three years. My health was badly run down and my complexion became sallow and and badly affected with pimples. While in this weakened condition I contracted pleurisy, which made it very hard for me. I am happy to say that Vinol has restored me to health again, and I have no cough or soreness of the lungs at all."

We ask every anaemic or run-down, weak person in this vicinity to try a bottle of Vinol with the understanding that their money will be returned if it does not do all we claim. The People's Drug Store, Gettysburg, Pa.

## SUFFRAGETTE PLOT NIPPED. ANOTHER CULEBRA SLIDE

Woman Found Concealed at Big Reservoir to Be Opened by the King.

London, March 15.—An alleged suffragette plot to wreck the great new water reservoir at Chingford, in the northeast of London, which King George is to open, was frustrated by the arrest of a woman who was concealed in a recess of the works. She refused to give her name or any other information.

The reservoir has an area of 416 acres and four and a half miles of embankment. Its excavation cost more than \$2,500,000. It is intended to supply about half of London.

Henry M. Flagler's Hip Was Broken.

Palm Beach, Fla., March 15.—The condition of Henry M. Flagler, owner of the Florida East Coast railway, was said to be more serious than had been generally supposed. Relatives of Mr. Flagler now admit that he sustained a fracture of the hip.

More Damage Done on the "Big Ditch" by Unruly Earth.

Panama, March 15.—The slide on the east bank of the Culebra cut, which first moved into the cut on the night of Feb. 5, made another rapid movement downward toward the bed of the canal.

It pushed up the bottom of the cut near the center, for a distance of 1000 feet to a vertical height of thirty feet, destroying five tracks and overturning two steam shovels. There is now only one construction track in operation. The slide has ceased moving and the work of removing the earth has been begun.

Thieves Get \$10,000 in Jewelry.

New York, March 15.—Thieves blew open a safe in the jewelry store of Hyman Shapiro, on the Bowery, and escaped with gems valued at from \$8000 to \$10,000.

## A "Going Away" Suit

Brides---and others---who are preparing for journeys will be interested in this early showing of spring suits and coats.

Suits from \$10 up.

IT PROVIDES WHAT MANY WOMEN ARE SEEKING AT THIS TIME--FRESH, SPRING WEIGHT CLOTHING IN STYLES THAT CAN BE TRUSTED.

These are Wooltex coats and suits and can therefore be trusted implicitly to be in the styles that will be stylish. Wooltex designers never need to experiment or guess.

They know what the styles are to be—in fact, this is so well recognized that they often help to make the styles so closely is their work matched and copied by others. But here are the originals—and beautiful models they are.

Guaranteed for this spring and next—the Wooltex makers stand behind Wooltex garments for two full seasons.

Reasonably priced.

This is a good time to make your choice.
